SUBJECT—

Approving Value-Added Service Agreement between MidAmerican Energy Company and the City of Des Moines

SYNOPSIS—

This agreement establishes that MidAmerican will purchase various services (outlined below) from the City of Des Moines up to a maximum cost of \$350,000 per year, for five years.

FISCAL IMPACT—

\$350,000 annual revenue for five years (for a maximum of \$1,750,000).

RECOMMENDATION—

Approval

BACKGROUND—

This agreement allows MidAmerican to purchase from the City of Des Moines the following services:

- Storm support to include clearing debris from streets that block access to MEC facilities, fleet staging and related activities;

- Rental of heavy machinery;
- Repair of streets after MEC has performed work including all subsurface fill and landscaping restoration in accordance with applicable Right of Way ordinances;
- Cardiovascular Pulmonary Resuscitation, trenching, and extinguisher training;
- Mowing of substation facilities; and
- Other value-added opportunities

The term of the agreement is five years, and will expire August 31, 2009.

This agreement, combined with a street lighting service agreement (a separate item on this agenda) will total \$1,700,000 annually.
