

COUNCIL COMMUNICATION

	Number:	20-204	Meeting:	May 4, 2020
	Agenda Item:	7	Roll Call:	20-732
	Submitted by:	Jonathan A. Gano, P.E., Public Works Director, and Steven L. Naber, P.E., City Engineer		

AGENDA HEADING:

Approving and authorizing the execution of Iowa Department of Transportation (IDOT) Agreement for grading and paving of NE 14th Street (U.S. Highway 69) from I-80 to south of Ankeny.

SYNOPSIS:

Recommend approval of IDOT Agreement No. 2020-3-044 for grading and paving of NE 14th Street (U.S. Highway 69) from I-80 to south of Ankeny. The IDOT will widen NE 14th Street (US 69) to four (4) lanes utilizing IDOT funds, at an estimated cost of approximately \$17,900,000. A portion of the project encroaches within City limits and this agreement provides that:

- The City will accept ownership and jurisdiction, including future maintenance responsibilities, for a new street constructed by IDOT, named E 13th Street, approximately 310 feet in length and approximately 450 feet west of NE 14th Street (U.S Highway 69), connecting NE 50th Avenue and NE 50th Place.
- The City will be responsible for the cost of construction, estimated by IDOT at \$37,200, related to work involving City maintained sewer.

FISCAL IMPACT:

Amount: \$37,200

Funding Source: 2020-2021 Operating, Page 215, Des Moines – Sanitary Sewer Maintenance, Sanitary Sewer Operations Fund, E101 PW247411

ADDITIONAL INFORMATION:

- The IDOT is planning to construct a grading and paving project commencing in 2020 and lasting through 2022 on NE 14th Street (U.S. Highway 69) from I-80 to south of Ankeny, a portion of which is in City limits from north of I-80 to NE 51st Avenue on the west side of NE 14th Street (U.S. Highway 69) . The project also includes construction of a new City street, E 13th Street.
- The new section of E 13th Street will be constructed from NE 50th Avenue to NE 50th Place and will be maintained by the City after construction. E 13th Street will serve the neighborhood to the south with the planned closure of the existing frontage road that is adjacent to NE 14th Street (U.S. Highway 69) at NE 50th Place. This improvement is proposed by IDOT to improve safety around the intersection of NE 50th Place and E 14th Street (U.S. Highway 69).

- IDOT will be the contracting authority responsible for the construction of the project. The IDOT will design, bid, and inspect construction of the project in accordance with the project plans and IDOT Standard Specifications. The IDOT will maintain traffic during construction of this project.
