### AGENDA HEADING:

Amending Chapter 114 of the Municipal Code to facilitate the use of multi-space parking meters.

### SYNOPSIS:

Recommend approval of the revisions to the Municipal Code to facilitate the use of multi-space parking meters to control designated on-street spaces in the downtown parking district.

### FISCAL IMPACT: NONE

### ADDITIONAL INFORMATION:

- The City is modernizing the meters in the parking district to include the use of multi-space parking meters. Revisions in the Municipal Code are needed to facilitate the use of these meters to control and accept payment for designated spaces in the downtown parking district. Methods of payment that will be available through these multi-space parking meters will include coin, credit cards, and mobile payment applications.
- These revisions do not modify the parking rates or hours of operation of the meters in the parking district. The revisions also clean up or correct duplications and discrepancies in the current text.
