

## COUNCIL COMMUNICATION

	Number:	<b>22-094</b>	Meeting:	<b>March 7, 2022</b>
	Agenda Item:	<b>52D</b>	Roll Call:	<b>22-0347</b>
	Submitted by:	<b>Dana Wingert, Chief of Police</b>		

### AGENDA HEADING:

Request approval to purchase emergency vehicle equipment from Kelttek Inc. (205 N. High Street Baxter, IA, 50028) a division of Rayser Holdings, Inc. (Michelle Jensen, President & CEO) for police vehicles utilizing multiple State of Iowa Department of Administrative Services (IDAS) contracts.

### SYNOPSIS:

The Police Department recommends the purchase of standard emergency response equipment including light bars, sirens, prisoner barrier and seats, aluminum push bumpers and weapon racks to outfit nine (9) new police vehicles as well as the specialized equipment required for a canine vehicle. Most of the equipment is being purchased through a competitive bid process using the IDAS contracts (21357, 21309, 21279, and 16165C.) Additional items will be purchased via a quote at market rate. The Radio Services section is responsible for the installation of the equipment and will reuse existing equipment when practical. However, body style changes and a new technology configuration require the replacement of many components.

### FISCAL IMPACT:

Amount: \$107,953.10 and \$5,926.51

#### Funding Source:

- \$107,953.10 - Operating Budget (PD001351) for Police Planning and Budget, Page 195 of the Adopted Operating Budget FY2022.
- \$5,926.51 - Special Revenues and Other Funds; Grants, 2021 Justice Assistance Grant, Page 199 of the Adopted Operating Budget FY2022.

### ADDITIONAL INFORMATION:

- The equipment has been competitively bid and is available from Kelttek Inc. Most of the equipment will be purchased using IDAS contracts (\$112,988.95). The Municipal Code Section 2-726(k) provides for the purchase of goods and/or services from contracts established by IDAS, the Iowa Department of Transportation (IDOT), or the Iowa Communications Network pursuant to procedures established in Iowa Code Chapter 8A and rules and regulations of the Procurement Division. Additional equipment will be purchased at market price (\$890.66).

- Each vehicle will be marked and equipped with specific equipment essential to the efficiency and safety of employees, occupant, and others in the area:
  - Whelen emergency light bar and siren visually and audibly announce an approaching police vehicle during an emergency.
  - Havis console contains switches for emergency lights, siren, and mobile data equipment.
  - Equipment tray is installed in the rear of the vehicles to hold communication and connectivity equipment in a stable location to prevent damage from sliding or shifting.
  - Gamber Johnson adjustable computer dock and swivel mount will keep adjustable computer components secure during travel.
  - Setina aluminum push bumper is installed in front of the vehicle to absorb minor impact without damaging either vehicle. This equipment allows officers to assist motorists, whose vehicle have stalled in traffic, to gently pushing the disabled vehicle to a safer location.
  - A rack with special lock is installed to safely secure a rifle or shotgun.
  - Proguard prisoner barrier divides the front half of the vehicle from the rear passenger compartment in efforts to reduce the risk of officers being hit, kicked, bitten, spit upon or otherwise exposed to viruses or disease.
  - Prisoner transport seat replaces the vehicle's rear seat and are made of durable plastic for longer wear and more efficient cleaning and maintenance.
  - Havis canine transport equipment for the safe containment of the Police Department canine unit.
