 CITY OF DES MOINES OFFICE OF THE CITY MANAGER	Number:	23-117	Meeting:	March 6, 2023
	Agenda Item:	10	Roll Call:	23-283
	Submitted by:	Chris Johansen, Neighborhood Services Department Director		

AGENDA HEADING:

Resolution re-levying corrected assessments for costs of nuisance abatement on certain properties schedules 2022-10, 2022-11, 2022-12, 2022-13, and 2023-1.

SYNOPSIS:

Upon review of City code enforcement cases, staff identified incorrect charges on public works cleanups that were charged to property owners between August and December of 2022. Many of the fees were sent to Polk County to be applied as a special assessment against the parcel. The City needs to reduce the assessment on these properties to reflect the actual costs incurred as part of the cleanups.

FISCAL IMPACT:

Amount: \$10,214.96

Funding Source: There is no actual expense. The City will be refunding the difference between the original assessment and the corrected assessment for any assessments that were paid prior to this correction.

ADDITIONAL INFORMATION:

- The City is correcting the assessed amounts on the previously submitted assessment schedules. There are no net increases on any of the assessed amounts.
