This meeting was called with less than 24-hour notice. Also, Mayor Davis and Council Member Flagg participated in this meeting by electronic means, pursuant to City Council Policy, because it was impossible to meet in person, and impractical for the applicant to wait for the next regularly-scheduled Council meeting on January 20, 1997, due to the fact their license expires on January 17, 1997--the same day all inspections and reports were completed and approved.
