Councilman Skip,

I've been busy working on my leaf removal project these past few days. I composed a flyer with information about this possible solution and e-mailed it to the presidents of all the Des Moines neighborhood associations. I've gotten very positive responses from about six presidents who are interested in the proposal. Some said they will talk to their members about my idea at their next meeting, and others e-mailed their neighborhood members.

I checked the city of Des Moines website for possible City Council meeting dates and noticed April 12 was the next one scheduled. If the offer still stands, I would be pleased to speak about my project to you and the other members of the council on that date. Please let me know what I need to do for you to sponsor my appearance at this meeting.

Thank you for your interest in me. You are a big help and I appreciate everything you have done so far.
