RESOLUTION APPROVING AMENDMENT TO THE APPROVED
"R-6" PRELIMINARY AND FINAL DEVELOPMENT PLANS
FOR WHITE OAK PARK AND HIDDEN VALLEY PLAT NO. 2

WHEREAS, on April 24, 2006, by Roll Call No. 06-761, it was duly resolved by the City Council, that the City Council consider a proposal from Andrea Anania, owner of 3706 SE 22nd Street, to amend the approved "R-6" Preliminary and Final Development Plans for White Oak Park and Hidden Valley Plat No. 2 along SE 22nd Street and the extensions of Maish Court off SE 22nd Street south of Evergreen Avenue and more specifically described below, and that such proposal be set down for hearing on May 8, 2006, at 5:00 p.m., in the Council Chambers at City Hall; and,

WHEREAS, due notice of said hearing was published in the Des Moines Register on April 27, 2006, as provided by law, setting forth the time and place for hearing on said proposed amendment to the approved "R-6" Preliminary and Final Development Plans; and,

WHEREAS, the Plan and Zoning Commission has recommended that the proposed amendments to the approved "R-6" Plans be approved to remove the open space designations on private properties to allow construction of a fence on the rear portion of 3706 SE 22nd Street and the other affected lots, as set forth in the attached letter from the Planning Administrator; NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Des Moines, Iowa, as follows:

1. Upon due consideration of the facts, statements of interested persons and arguments of counsel, the objections to said proposed amendments to the approved "R-6" Preliminary and Final Development Plans for the property along SE 22nd Street and the extensions of Maish Court off SE 22nd Street south of Evergreen Avenue, more specifically described below, are hereby overruled and the hearing is closed.

Lots 1 through 37, White Oak Park, an Official Plat; and, Lots 1 through 5, Hidden Valley Plat No. 2, an Official Plat, all now included in and forming a part of the City of Des Moines, Polk County, Iowa.

2. The proposed amendment to the "R-6" Preliminary and Final Development Plans for the property described above is hereby found to be in conformance with the Des Moines 2020 Community Character Land Use Plan.

(continued)

APPROVAL of a request from Andrea Anania (owner) 3706 SE 22nd Street for an amendment to the preliminary and final "R-6" Development Plans for "White Oak Park and Hidden Valley Plat No. 2" to remove all open space easement designations on private properties in order to allow construction of a fence on the rear portion of 3706 SE 22nd Street, subject to granting of relief to the minimum percentage of common land by the Board of Adjustment. (ZON2006-00032)

Written Responses

10 In Favor
2 In Opposition

This item would not require a 6/7 vote by City Council.

STAFF RECOMMENDATION AND BASIS FOR APPROVAL

Staff recommends, in addition to the applicant's request, that the Commission make recommendation to the City Council to amend the "R-6" Development Plan to remove all open space easement designations on private properties subject to granting of relief to the minimum percentage of common land by the Board of Adjustment.

Staff further recommends that the Commission direct staff to initiate appeal to the Board of Adjustment to reduce the minimum common land requirement by Exception of 0.987 acres less than the minimum required 2.229 acres.

STAFF REPORT

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is seeking to build a fence within the area designated in the "R-6" Development Plan for "White Oak Park" and "Hidden Valley Plat 2" as an open space easement.
2. **Size of Site:** 11.713 acres total, 8.914 Net Development Area (minus right-of-way)
3. **Existing Zoning (site):** "R-6" Planned Residential Development District.
4. **Existing Land Use (site):** Single-family dwellings and open space.
5. **Adjacent Land Use and Zoning:**

North – "R-6" & "R1-80", Uses are single-family dwellings and multiple-family residential apartments.

South – "R1-60", "R1-80" & "PUD", Uses are single-family dwellings and Ewing Trace land lease community.

East – "R1-80", Uses are vacant land and Evergreen Church of Christ.

West – "R1-60" & "R1-80", Uses are single-family dwellings and Church of Jesus Christ Latter Day Saints.
6. **General Neighborhood/Area Land Uses:** The surrounding neighborhood is a mix of multiple-family residential and low density residential and land lease community uses.
7. **Applicable Recognized Neighborhood(s):** Ewing Woods-Evergreen Neighborhood.
8. **Relevant Zoning History:** The subject property was rezoned to "R-6" on May 22, 1978 by the City Council. On May 4, 1992 the "R-6" Development Plan was amended to redefine the area currently known as "Hidden Valley Plat 2" from a multiple-family residential designation to five single-family lots.
9. **2020 Community Character Land Use Plan Designation:** Low Density Residential
10. **Applicable Regulations:** In accordance with Section 134-657, the Commission reviews all amendments proposed for approved "R-6" Development Plans in the same manner as the consideration of the original Conceptual Plan and rezoning. The recommendation of the Commission is forwarded to the City Council for their final review and consideration.

Sec. 134-658. Standards.

Permitted principal and accessory land uses and lot area, yard and height requirements in the R-6 planned residential development district shall be as follows and shall prevail over conflicting requirements in this chapter:

(6) *The term "common land" as used in this division refers to land intended for the use of the residents of the development or the general public.*

(12) *Developments or portions thereof which are being developed for sale or resale shall contain common land in area totaling not less than 25 percent of the net development area.*

Any amendment approved by the Commission and City to the "R-6" Preliminary and Final Development Plan that would reduce the amount of common land below the standards in the Zoning Ordinance, will require relief by the Board of Adjustment to the above standards. In this case staff is recommending less than a 50% reduction in the common space requirement, therefore an Exception level of relief would be required. Staff recommends that the Plan and Zoning Commission direct staff to initiate this appeal for the White Oak Park "R-6" Development Plan area.

II. ADDITIONAL APPLICABLE INFORMATION

- 1. **Landscaping & Buffering:** The original plan for "White Oak Park" provided both public open space and easements for open space on private properties in the development. These easements were also recorded on the plat and as a declaration of covenants for Lots 1-37. When the Plan was amended in 1992 to re-designate the Hidden Valley Plat 2 area for single-family use, it is unclear whether new easements were recorded on the "Hidden Valley Plat 2". The Legal Department has found no evidence of other than the reference to the plat drawing. Additional open space easements were added graphically to the new plat to include reference to the original open space easement language in the "R-6" Development Plan.

The open space easement language in the original development plan is as follows:

"Every owner shall have right of easement access, ingress, egress, use of and enjoyment in an to the open space easements which are reserved as shown on the recorded plat of White Oak Park, and such rights of easement shall be appurtenant to and shall pass with title to every lot. No owner shall obstruct or interfere whatever with the rights of other owners to open space easements, Specifically, nothing shall be planted, or constructed upon the open space easements which would hinder, obstruct or interfere with the rights of easement set forth above (i.e. access, ingress, egress, use and enjoyment)."

Based on this language the applicant has been denied a permit to build a fence within the area. After reviewing the overall "R-6" Plan area, staff has observed a number of possible encroachments into the easement areas. Therefore an action that would serve the benefit of the overall development is appropriate.

Staff believes that the pattern of use over time has not demonstrated that the open space easements on the "R-6" Plan have been beneficial to owners of the development for their intended common purpose. Staff further believes that releasing a portion the open space requirement from the Plan will allow private owners to better maintain the designated easement areas and provide more beneficial use of their private property. There would still be 1.272 acres of publicly owned open space remaining for the benefit and enjoyment of owners in the development.

- 2. **Legal Requirements:** Removal of a portion of the open space easement designation by the City of Des Moines on the "R-6" Development Plan does not preclude or pre-empt the private enforcement of easements and covenants recorded against the properties by owners within the development. Staff recommends that individual property owners seek independent legal advice on the applicability of these easements and covenants recorded on individual private properties.

SUMMARY OF DISCUSSION

Erik Lundy: Presented the staff report and recommendation.

Mike Ludwig: Noted a majority of the garages in the easements were constructed at a time when permits were not required for accessory structures.

Andrea Anania, 3706 SE 22nd Street: Displayed some photographs and a rough drawing to explain her request, noting she cannot currently put a fence to her rear property line.

CHAIRPERSON OPENED THE PUBLIC HEARING

John Clark, 2801 Fleur Drive: Noted the subject lots are not Clark Company properties. Expressed support for the applicant.

CHAIRPERSON CLOSED THE PUBLIC HEARING

Kent Sovern: Moved staff recommendation.

Motion passed 11-0.

Respectfully submitted,

Michael Ludwig, AICP
Planning Administrator

It makes sense to fence in the whole yard rather than half. It is aesthetically pleasing. There will still be a walkway because the proposed fence will not butt up against the privacy fence to the west. This fence in no way affects other property owners because it is in the back yard. Immediate neighbors have signed off and approved of it.

I am opposing this due to they just built a new park on SE 22nd for one reason. Another is - I like having the trees across the street from my house - it's great watching animals come up and out! I believe there are enough parks - we also have Easter Lake so close!! I do NOT believe it's a good idea!!!
