Dear Mr., Kamp:

On behalf of the property owners of Druid Hill Drive, I am please to deliver the enclosed signed petitions to pave and improve Druid Hill Drive. The neighbors have also discussed the petition for sidewalks, but at this time are interested in a sidewalk on one side of the street only and have not yet reached an agreement as to which side of the street is best. Future coordination will be necessary to determine exactly what side of the street would be best served by a sidewalk. We are grateful for your time and assistance with this process and look forward to future communications and a beautiful street.

Sincerely,

Evan Shaw, AIA, LEED AP
