Andrew Newsom was represented by legal counsel, Jason Springer. Sergeant Scott Raudabaugh, the Chief Humane Officer and Chief of the Animal Control Unit for the City of Des Moines Police Department, appeared on behalf of the City.

Procedural History

On May 16, 2009, the Des Moines Police Department responded to a complaint of a white and brown colored male Pit Bull breed dog running at-large that ran onto the property of Jessica Espinosa and bit her and her dog. On May 16, 2009, the Des Moines Police went to 1105 Euclid Avenue where the victim had noted the bite dog lived, and a door hanger was left after finding no one home. The door hanger advised of the need to contact ARL as soon as possible in regards to the incident. On May 17, 2009, the Des Moines Police again went to 1105 Euclid Avenue to make contact with the bite dog's owner, but there was no answer. However, a dog matching the victim's description could be seen in the window. On May 21, 2009, the Des Moines Police went to 1105 Euclid Avenue but found no one home. On May 22, 2009, the Des Moines Police went to 1105 Euclid Avenue and found no one home but could hear the dog barking and see it in the window. On May 22, 2009, the Des Moines Police obtained a search warrant and went into 1105 Euclid Avenue, with the assistance of a locksmith, and seized the dog. A door hanger was left to inform the residents that the dog was impounded to ARLCC and proof of license, rabies tag and insurance were required. May 23, 2009, the City Veterinarian identified the bite animal by a microchip implanted in the dog revealing: (1) its name as "Justice," (2) its owner as Mr. Newsom, and (3) that it had been declared a "vicious dog" on November 1, 2005, at which time Mr. Newsom elected to remove his dog from the City instead of licensing the animal. On May 28, 2009, the Des Moines Police called Mr. Newsom informing him that an investigation was still ongoing into the May 16, 2009 bite incident and inquired as to why Mr. Newsom had never contacted anyone as requested. On May 28, 2009, notice was served on Mr. Newsom at 1105 Euclid Avenue informing him that (1) his dog is being declared a "dangerous animal" in accordance with sections 18-203 and 18-202 of the Des Moines Municipal Code; (2) an administrative hearing to review the "dangerous animal" declaration has been scheduled for June 2, 2009; (3) if the "dangerous animal" declaration is upheld his dog may be destroyed in a humane manner; and (4) his dog will remain in impound pending the decision of the administrative hearing officer. The administrative hearing was so conducted on June 2, 2009.

Decision and Order

The issue is whether the dog in question is a "dangerous animal." In pertinent part, section 18-196 of the Des Moines Municipal Code defines "dangerous animal" as "any animal, including a dog . . . that has bitten or clawed a person while running at large and the attack was unprovoked." In the case at hand, Mr. Newsom's dog was running at-large when it ran from 1105 Euclid Avenue onto Ms. Espinosa's property. Furthermore, the evidence supports that Mr. Newsom's dog bit both Ms. Espinosa and her dog in an unprovoked attack after it ran onto her property.

It is unfortunate Mr. Newsom is just now beginning to take the steps necessary for maintaining a "vicious dog," as evidence by the insurance rider he had just purchased on May 28, 2009. However, Mr. Newsom had been forewarned as early as November 2005 that if his dog was ever found within the City of Des Moines not properly licensed and at-large it would be seized and destroyed in a humane manner by the Animal Control Unit with the Des Moines Police Department. At that time he elected to remove his dog from the City rather than license it and comply with the requirements for maintaining a "vicious dog."

By a preponderance of all evidence in the record, the declaration that Mr. Newsom's dog is a "dangerous animal" by the Chief Humane Officer is upheld. Therefore, the Chief Humane Officer is ordered to destroy Mr. Newsom's dog, "Justice," in a humane manner, as provided under section 18-202(b) of the Des Moines Municipal Code. Furthermore, Mr. Newsom is ordered to pay all impoundment and quarantine costs, as provided under section 18-202 of the Des Moines Municipal Code.

Appeal Rights

This order may be appealed to the City Council provided a written appeal is filed with the City Clerk's office within three days after receipt of this order. The written notice of appeal shall state the grounds for the appeal and shall be delivered personally or by certified mail to the City Clerk's office. Failure to file a written notice of appeal in a timely manner shall constitute a waiver of the right to appeal this order to the City Council.

This written ruling is hereby submitted on this 5th day of June, 2009 in Des Moines, Polk County, Iowa. As provided under section 18-202(a) & (b), the City Clerk shall cause this order to be served.

- (1) The dog is on the premises of the owner or a person given charge of the dog by the owner and is either:

 - b. At all times within the actual physical presence of and immediately obedient to the commands of the owner or person given charge of the dog by the owner. At no time shall the dog be more than six feet from such person.
 - (2) The dog is off the premises of the owner and is:

- b. If the fence, pen or structure is less than six feet in height, it must have a secure top in addition to securely imbedded sides as described in subsection (c) (3)a of this section.

Nothing in this subsection, however, shall be construed as prohibiting any owner of a female dog in heat from walking such dog with a leash, cord, chain or other similar restraint not more than six feet in length or from transporting such dog within a motor vehicle.

- (d) No owner of any dog shall permit such dog to be at large at any time.

Sec. 18-203. Immediate seizure or destruction of animals.

Any animal found at large which displays dangerous tendencies, or which is an illegal animal, or which has been previously declared vicious or is vicious by breed according to article II, section 18-41 (6), (7), (8), or (9) of this chapter and has bitten without provocation a person or a domestic animal while such vicious dog was not properly confined or leashed may be processed as a dangerous animal under section 18-202 of this article, and the animal may be immediately seized anywhere within the city unless the animal is so dangerous that it cannot safely be apprehended, in which case the chief humane officer, his or her designee, or any police officer is authorized to destroy it immediately.

(C85, § 7-51; O.11,095; C91, § 7-51; O.14,415, 14,462)

Sec. 18-202. Seizure, impoundment and disposition of dangerous animals.

(a) The chief humane officer or his or her designee, in his or her discretion or upon receipt of a complaint alleging that a particular animal is a dangerous animal as defined in this article, may initiate proceedings to declare such animal a dangerous animal. A hearing on the matter shall be conducted by the city manager or his or her designee. The person owning, keeping, sheltering, or harboring the animal in question shall be given not less than 72 hours' written notice of the time and place of the hearing. The notice shall set forth the description of the animal in question and the basis for the allegation of dangerousness. The notice shall also set forth that if the animal is determined to be dangerous it may be ordered destroyed or the owner may be given the option to cause it to be destroyed. The notice shall be served upon any adult residing at the premises where the animal is located or may be posted on those premises if no adult is present to accept service. A notice that a dog is a dangerous animal may include as an alternative an allegation that a dog is a vicious dog under sections 18-41 and 18-59 of this chapter, and the hearings shall proceed together under this section.

(b) If, after hearing, the city manager or his or her designee determines that an animal is dangerous, the city manager or his or her designee shall either order the animal destroyed in a humane manner by the chief humane officer, or order the person owning, sheltering, harboring or keeping the animal to cause it to be destroyed in a humane manner. The order shall immediately be served upon the individual or entity against whom issued in the same manner as the notice of hearing. If the animal is ordered to be destroyed by the chief humane officer such order shall be carried out after the appeal period in subsection (c) of this section has expired. If the animal is ordered to be destroyed by the owner, such order must be complied with within three days of its issuance, otherwise the city manager or his or her designee is authorized to seize and impound the animal. An animal so seized shall be impounded for a period of seven days. If, at the end of the impoundment period, the individual or entity against whom the order of the city manager or his or her designee was issued has not appealed such order to the city council, the city manager or his or her designee shall cause the animal to be destroyed in a humane manner.

(c) The order to destroy a dangerous animal issued by the city manager or his or her designee may be appealed to the city council. In order to appeal such order, written notice of appeal must be filed with the city clerk within three days after receipt of the order to destroy the dangerous animal. Failure to file such written notice of appeal shall constitute a waiver of the right to appeal the order of the city manager or his or her designee.

(d) The notice of appeal shall state the grounds for such appeal and shall be delivered personally or by certified mail to the city clerk. The hearing of such appeal shall be scheduled within seven days of the receipt of notice of appeal. The hearing may be continued for good cause. The hearing shall be confined to the record made before the city manager or his or her designee and the arguments of the parties or their representatives, but no additional evidence shall be taken. After such hearing the city council may affirm or reverse the order of the city manager or his or her designee. Such determination shall be contained in a written decision and shall be filed with the city clerk within three days after the hearing or any continued session thereof.

(e) If the city council affirms the action of the city manager or his or her designee, the city council shall either order the animal destroyed by the chief humane officer, or order that the individual or entity owning, sheltering, harboring, or keeping such dangerous animal shall cause it to be destroyed in a humane manner. The decision and order shall immediately be served upon the person or entity against whom rendered in the same manner as the order to destroy. If the animal is ordered to be destroyed by the chief humane officer the order shall be effective on the fourth day after receipt of the order by the owner unless the county district court has been petitioned to review the order within the first three days after receipt. If the animal is ordered to be destroyed by the owner and such order is not appealed to the county district court and is not

complied with within three days after receipt of the order by the owner, the chief humane officer or his or her designee is authorized to seize and impound such dangerous animal. An animal so seized shall be impounded for a period of seven days. If, at the end of the impoundment period, the individual or entity against whom the decision and order of the city council was issued has not petitioned the county district court for a review of the order, the city manager or his or her designee shall cause the animal to be destroyed in a humane manner.

(f) Failure to comply with an order of the city manager or his or her designee issued pursuant to this section and not appealed or of the city council after appeal shall constitute a misdemeanor offense.

(g) Any animal which is alleged to be dangerous and which is under impoundment or quarantine at the animal shelter shall not be released to the owner, but shall continue to be held at the expense of the owner pending the outcome of the hearing. All costs of such impoundment or quarantine shall be paid by the owner if the animal is determined to be dangerous. If the animal is not determined to be dangerous and was found at large, the owner shall only pay those costs attributable to the initial confinement and any required quarantine. If the animal is not determined to be dangerous and was not at large at the time of confinement, the owner shall only pay those costs attributable to any required quarantine.

Mr. Andrew Newsom,

On May 16, 2009 your white and brown colored male Pit Bull breed dog, named "Justice," was running at-large when it went after a neighbor's dog and during the attack it bit the neighbor, which caused injury to the neighbor's hand. After failing to respond to a notice to contact animal control a search warrant was obtained and your dog was impounded and taken to the animal shelter for quarantine. (2009-15170)

On November 1, ~~2008~~ ²⁰⁰⁵ your dog, named "Justice," was found unlicensed in the City of Des Moines and impounded. The City Veterinarian evaluated your dog and determined that it exhibited predominate characteristics of a "Vicious Dog," defined by city ordinance 18-41 as a Staffordshire Terrier or an American Pit Bull Terrier or an American Staffordshire Terrier or a dog which has the appearance and characteristics of being predominately of those breeds. (2008-44547)

Because your dog is defined as a vicious dog and was not properly confined or leashed, in accordance with the vicious dog ordinance 18-56, and was involved in an unprovoked bite it is being declared a "Dangerous Animal," in accordance with the dangerous animal ordinance 18-203 and 18-202.

An Administrative Hearing to review the "Dangerous Animal" declaration has been scheduled for 2:00 P.M. on Tuesday, June 2, 2009 in the City Council Chambers in the Des Moines City Hall at 400 Robert D. Ray Drive.

If the "Dangerous Animal" declaration is upheld your dog may be ordered destroyed in a humane manner or you may be given the option to cause it to be destroyed in a humane manner.

Your dog will remain in impound pending a decision by the Hearing Officer.

120. Narrative: <p>Met Jessica at incident address, her home. They were outside when dog, described as white w/ brown spots Pitbull, ran over into her yard from its address, 1105 Euclid, and jumped her dog, and bit her. Jessicas dog did not have any skin break injuries, but she had small abrasion on @ finger + blood blister on @ thumb from bite. I took her info and went to 1105 Euclid where there was no one home. I left door hanger advising to call ARL ASAP in reference to this incident. Follow up needed ASAP to impound bite dog and check tags, insurance, etc.</p> <p>Jessica also said the the bite dog gets out and runs loose frequently</p>
