ADDITIONAL INFORMATION:

- A. In conjunction with construction in the area of the 1400 block of Walnut Street, a large number of long-term parking spaces are being utilized by construction workers or have been taken out of service to accommodate the construction work. Traffic and Transportation has been asked to review this situation and try to provide more long-term parking in this area. Following this review, Traffic and Transportation recommends that the parking meters on the south side of Walnut be converted to 10-hour meters, leaving the meters on the north side of the street as two-hour meters, to meet the needs of the business traffic in this area. The following requested ordinance changes will accomplish this.

Sec. 114-4040. Walnut Street—Thirteenth Street to Fifteenth Street.

Walnut Street, on the south side, from Fourteenth Street to a point 175 feet west thereof, two ten-hour meters, 8:00 a.m. to 6:00 p.m.
