Good Afternoon All:

Yesterday afternoon, I was given a promotion from Deere that involves relocating to another Deere facility, Horicon, WI (just outside of Madison). After much thought, I have accepted the offer. It is a great promotion and an opportunity to learn another Deere product line. The Horicon plant builds the gators and golf and turf lawn equipment.

With that said, I will be resigning my position on the Commission as Chair and Commissioner after our August meeting. I have learned so much serving on the Human Rights Commissions, both in Waterloo and Des Moines. Thank you so much for the opportunity to learn from you.

I begin in Horicon August 16.

I will see you Commissioners on August 12.

Thanks.

Peggy Dandy
