Dear Mayor Cownie and City Council,

As you know, The Restoration Ingersoll Committee is in the midst of raising funds for the Restoration Ingersoll Streetscape Project to be kicked off in June of 2007. We would like to promote our fundraising effort by placing three "thermometer" signs (30"x50") in the project area. They have been tastefully designed and would be placed in front of Palmer's Deli, Subway, and Dr. Bernard Gradoville office. These property owners have agreed to place the signs on their property. We would like to place a fourth sign on the corner of Ingersoll and Polk Boulevard (Waterbury Garden) providing we get permission from the Waterbury Neighborhood.

We would like to leave the signs up for 90 days and install them as soon as possible. To do so, we need to obtain an Administratively Approved Special Event Sign Permit for 30 days and then a Special Permit from the Zoning Board of Adjustment for the remaining 60 days.

We understand that the fee for the special event sign permit will be \$335 and that the fee for the Board of Adjustment request will be \$300 plus notification cost. We are requesting that the fees for these signs be waived since their purpose is to raise funds for streetscape improvements.

Thank you,

Soozie McBroom
