5. An immediate RISE program grant commitment is necessary for the Southeast Connector – SE 14<sup>th</sup> Street to SE 30<sup>th</sup> Street project in order for construction to occur to facilitate the planned expansion of Kemin Industries. If such grant commitment is not immediately available to the City, delay in developing the Southeast Connector – SE 14<sup>th</sup> Street to SE 30<sup>th</sup> Street and the planned expansion of Kemin Industries would impact the anticipated economic development and job creation.
6. The City hereby certifies that non-RISE funding will exceed 20%, including Federal STP funds allocated by the Des Moines Area Metropolitan Planning Organization and City GO Bonds programmed in the Capital Improvement Program.
7. The Mayor is hereby authorized and directed to sign the RISE application and any necessary certification on behalf of the City and the City Manager is authorized to submit a RISE grant in the amount of \$32.5 million for the Southeast Connector – SE 14<sup>th</sup> Street to SE 30<sup>th</sup> Street.
