RE: Dean's Lake Storm Sewer
Activity ID 08-2009-05

Dear Bruce,

Please consider this letter as a request for Reilly Construction to sublet portions of the Dean's Lake Storm Sewer project to Griffin Dewatering. Griffin Dewatering will be installing dewatering wells which will enable us to modify the water main and install the box culverts at Maury Street and Market Street. Note Griffin Dewatering is not a DBE/TSB. The value of their work is approximately \$55,000. Here is their information.
