Honorable Council Members:

On February 27, 2012, by Roll Call No. 12-0277, the City Council received and filed a recommendation from the Plan and Zoning Commission to vacate portions Southeast 19th Street between Raccoon Street and Scott Avenue as initiated by City Council represented by the Engineering Department.

The Engineering Department respectfully requests a waiver of the ordinance readings in order to move forward with the SE Connector Project – SE 15th Street to SE 23rd Street. The waiver will also allow Waste Management of Iowa, Inc. to replace a loss of parking resulting from said Project and further allow Kemin Holdings, LC to move forward with the planned expansion and development of its new headquarters.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeb E. Brewer", written in a cursive style.

Jeb E. Brewer
City Engineer, P.E.
