City Clerk

Pursuant to Section 126-64, I am filing with the City Clerk a memorandum in support of Roll Call Number 14-0476, Agenda Item Number 16.

As previous owner/registered agent for NPI Limo, I state my support for Brady Johnson, NPI Limo Service, LLC for approval of CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO OPERATE LIMOUSINE SERVICES. During my time as owner, Brady Johnson was employed by me. Brady was in charge of day to day operations of the limo company. He has purchased 3 limousines from me, and would like to continue the service we had provided to our clients the last few years. He knows the business and is a responsible young man capable of providing excellent limousine services to the City of Des Moines and surrounding areas. NPI Limo Services, LLC would be filling the void for our clients, since we no longer handle that type of business. I have known Brady Johnson for 24 years. He has made some mistakes, as all young persons do, but I feel he has learned from them and has matured.

He is a responsible business man and should be given an opportunity to make a living at what he knows, and be granted a CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO OPERATE LIMOUSINE SERVICES within the City of Des Moines.

Sincerely,

Mark Kirchner

Cindy,

I think you've probably done one of the most thorough applications packets, for a first try, of anyone I've ever had make application.

There are a few things I need to clarify or resolve so that I can get this packet taken care of and move it forward;

1. Are you the registered Agent for this LLC? If so, I need that noted as a part of the application narrative. If not, is there a registered agent other than Brady?
2. Are there ANY other partners in this LLC? If so, I need their names and the same information as provided for Brady as noted in Section 23-63, paragraphs 1-3.
3. With the above I need a copy of the LLC registration document from the Iowa Department of State, for NPI Limo Service, LLC. A photocopy will suffice, showing the company's name exactly as registered as a LLC. This is because we also have an NPI Security company licensed as the successor to the former NPI
4. I need either a statement in the narrative that clearly indicates that Brady has not:
  - a. Within the ten years immediately preceding the date of application, been convicted of, pled guilty to or stipulated to the facts of violating any criminal statute or ordinance, including traffic laws and municipal ordinances, OR
  - b. Provide a current copy of the Iowa Department of Criminal Investigation Report (DCI Report) and a current copy of the Iowa Department of Transportation (IDOT) certified driving record for Brady.
    - i. The DCI report can be obtained at 215 East 7<sup>th</sup> Street
    - ii. The IDOT "certified" driving record can be obtained on-line (must be the "certified" copy or at the IDOT Testing Station in Ankeny (6310 SE Convenience Blvd).
5. I need a copy of the Certificate of Insurance for the business (I have the vehicle insurance documents). The business certificate must be issued on a "per occurrence" basis (same as each occurrence) and meet the requirements noted on the attachment.
6. The current Certificate of Insurance for the vehicles does not address notification in the event of non-renewal, reduction in insurance coverage or limits. Please see the attachment for wording that will meet these requirements. This certificate is also not issued on a "per occurrence" basis and must be.
7. Please provide a copy of your proposed "Booking Sheet," See Section 126-82 a-c. This should be different than your individual "Trip Sheet" or "Order Form" and should be a roll-up of activity for a period of time (daily, weekly monthly, etc.). The Trip Sheets are also used to provide information for the required annual report that must be turned in to the City not later than January 30<sup>th</sup> of each year.

Once I have the above information I will submit a copy of this packet to Senior Police Officer Mike West with the City of Des Moines Police Department's Traffic Unit. SPO West will review the packet and must return a memo to me indicating no problems found. That memo becomes a part of the application packet that goes to the City Council. At that time I go through the entire application packet and REMOVE any personal identification numbers (driver's license numbers, social security numbers, birthdays, etc.,) that could be used for identity theft. The original packet will stay on file in my office and the edited copy will go forward to Council. The reason this is done is because as soon as this packet goes forward it becomes "public information" and anyone, for any reason, can request a copy. The packet on file in my

office can be held and would not be released for individual review unless a valid reason, as noted by our Legal Department, is presented.

I really do appreciate the diligence that you put into preparing this packet.

Thank you,

Mike Berry

I wanted just quickly acknowledge receipt of your documents.  
I haven't had a chance to look them over yet but will get to them as soon as possible.  
Since this is the first Monday of the month I have a series of financial reports that I have to run for our Finance folks – then putting out a few fires that grew in size while I was gone to Chicago last week.

The earliest date, to get this on the Council Agenda for the first time is going to be March 24<sup>th</sup>, so I have a couple of days to do the review of the documents before I report this as an item for the preliminary agenda.

I'll be back in touch.

Michael

Thank you so very much for taking the time last week to educate me on what you need from us to apply for a company application for a Certificate of Public Convenience and Necessity for NPI Limo Service, LLC.

I believe I have covered all the bases and have attached everything to this email. Hard copy will follow with original signature. Please let me know if you require any additional information from NPI Limo Service and I will provide it immediately.

If you have all of the information needed, is there any way to get us on the agenda for the next city council meeting? It would be much appreciated. Please let me know the date of the council meeting and we will be present.

Again, I cannot thank you enough for helping me out with this. It is very much appreciated.

Cindy,

Please don't kill the messenger.

Because this is a corporation I have to have clarification on the controlling interests in the business.

While you understand the structure of your LLC, I have numerous ones that I have dealt with, regarding Taxi & Limousine matters, and they are all structured differently- and some have partners and some do not. A single signature can represent the LLC, as an agent- but does not address ownership. In this case the signature does have Brady's name under it, but is illegible.

I do need the verification of ownership document-this is a requirement from my Legal Department. If this is not included it will create a hold by our attorney reviewing these types of items. If there is a problem getting it notarized, we have several administrative assistants on this floor that could notarize this document, at no charge, probably in less than five minutes, if Brady wanted to stop before the end of the week and sign the form in front of one them.

I have been preparing these packets for the Council for a long time. During that time I have learned what information is of most importance and where questions will arise. Remember that this application packet will be received and filed for approximately two weeks (between Council meetings) allowing review by all interested parties. These interested parties are then given the opportunity to speak for or against Council licensing another limousine company, in Des Moines. I always try to make sure that each packet meets all of the requirements and that it is a "strong" application, able to stand up to all review.

1. I am NOT a registered agent of this LLC. I am administrative manger (office manager, secretary for that matter) doing day to day bookkeeping activities for NPI Limo Service, LLC.
2. There are NO other partners in this LLC. Brady Johnson is sole proprietor of this LLC.
3. If you notice, the application was signed by Brady Johnson, NOT me ( I simply assisted in getting the information to you).
4. With the fact that I am not a registered agent of the LLC, and Brady Johnson actually signed the Application, do you still need the VERIFICATION that needs to be notarized??

I should have all other items to you by tomorrow at the latest.

No shooting of the messenger here! I just wanted to make sure that I made myself clear that I was not part of the LLC. Only acting as an office manager so to speak. I will get that form notarized. And all information back to you very soon

Thought I'd ask because my cut-off for the next Council meeting, as I had indicated, is noon tomorrow. I will also need the annual company license fee (\$250) and the individual vehicle fee (@ \$75) per vehicle to be included either with the final documents or shortly thereafter. If you could check on this, and let me know the status, it would be appreciated.

Cindy,

I will need to provide to me, even if it is just an e-mail, a statement explaining how you consider the required automobile insurance coverage to also meet the "equivalent" coverage requirements for the business general liability that is or would provide the minimum coverage requirements noted in the City Code, for the general liability requirements for this limousine business.

If a modification in this manner is asked for or is desired—or if a determination of coverage is needed -- I need to send the complete application packet to our Legal Department for their opinion. I cannot make a determination or approval that is not in complete compliance with the City Code. I cannot say that one type of coverage, specifically identified as automobile coverage in a limousine operation will or would also cover the general liability requirements for the operation of a limousine business, as noted in the City Code.

That said, please provide the asked for statement regarding the insurance coverage so I can put this packet together to send to the Legal Department. Please be aware that this packet cannot go to Council – or be scheduled to go to Council for setting a hearing date, until this question is resolved.

Thanks for all your help. As we discussed last week, we will obtain general liability if required, but from a risk management standpoint it does not appear to be a necessity. The wording in the code does state "or equivalent" and after discussions with our insurance carrier we hope you consider the liability insurance on vehicles adequate and equivalent insurance coverage.

Please let me know if you still require anything from me in order to get on the city council agenda.

Make it a great day!

### Limousine, Taxicab & Para-Transit Insurance Information

In §126-66 (Limousine) and §126-87 (Taxi & Para-Transit), Chapter 126 (Vehicles for Hire) of the Municipal Code for the City of Des Moines there is a requirement that an applicant for a new or renewal of a Certificate of Public Convenience & Necessity for;

- a Taxicab Company,
- a Limousine Company or,
- a License for a Para-Transit Company,

states that the applicants insurance certificate **must** provide a statement indicating that the applicants insurance company is providing **COMMERCIAL GENERAL LIABILITY** and **AUTOMOBILE LIABILITY INSURANCE** coverage that will provide;

- **30 day’s advance notification to the City of Des Moines in the event of cancellation for non-renewal, cancellation for cause, reduction of insurance coverage and in the event of a change in the covered limits, to be sent by registered mail to the City of Des Moines Office of Traffic and Transportation to the attention of the City Traffic Engineer.**

The insurance policy certificate must also provide a statement indicating that the City of Des Moines will receive;

- **10 day’s advance notice of cancellation for non-payment, also by registered mail to the City of Des Moines Office of Traffic and Transportation to the attention of the City Traffic Engineer.**

This notification information must be clearly stated on the Certificate of Insurance or placed as an endorsement to the policy if a standard ACORD form is used, since modification of the wording on the ACORD form is not allowed by State law.

**The standard wording where the insurance company will “endeavor” to provide these notifications is not considered adequate and the Certificate of Insurance will not be acceptable to the City of Des Moines.**

When an insurance policy is renewed and a renewal document is provided to the City of Des Moines, prior to the expiration date, the renewal document must also have this same wording.
