Joe,

Thank you so much for your continued support regarding response time issues in Des Moines.

The students found the information from the Chief interesting, but they are still concerned about the lack of EMTs throughout the city and would like to express their concerns at the January 12th City Council meeting.

Israel Gonzales and Keirsten Rutchi, are both government students at Scavo High School, would like to express their concern to the council.

Please let me know if this will work and we will polish up their presentations.

Thanks again,
