**HONORABLE MAYOR AND MEMBERS
OF THE DES MOINES CITY COUNCIL**

**RE: Ordinance Amending Sections of the Municipal Code
to Delete References to the Board of Health**

As a result of changes to State law, the City does not effectively operate its health related functions within the City through a board of health. On May 23, 2016 by Roll Call No. 16-0860, the City Council approved the 28E Agreement with Polk County regarding health functions and enforcement wherein such health related functions and programs within the City will be administered under the City's home rule powers and other State code authority by City departments and the City Council as opposed to by a City board of health.

As a result of the changes made to State law and the prior City Council action, an ordinance has been prepared to amend sections of the Municipal Code to delete all references to the City board of health.

Respectfully submitted,

Lawrence R. McDowell
Deputy City Attorney

ORDINANCE NO. _____
