STAFF RECOMMENDATION TO THE P&Z COMMISSION

Staff recommends approval of the request to honorarily rename a segment of Washington Avenue between 16th Street and Martin Luther King, Jr. Parkway as “Dr. Bobby Young Avenue”.

STAFF REPORT TO THE PLANNING COMMISSION**I. GENERAL INFORMATION**

1. **Purpose of Request:** Angela Young submitted a request to add an honorary street name to the segment of Washington Avenue extending from 16th Street to Martin Luther King Jr. Parkway. The proposed honorary street renaming would add the name “Dr. Bobby Young Avenue” to Washington Avenue. Reverend Dr. Bobby Young lives at 1834 Washington Avenue and is a long-time community advocate. For purposes of addressing and wayfinding, the official name of the street would remain Washington Avenue.
2. **Size of Site:** Approximately 60,335 square feet.
3. **Existing Zoning (site):** “N5” Neighborhood District.
4. **Existing Land Use (site):** Street right-of-way.
5. **Adjacent Land Use and Zoning:**
 - North** – “N5” District; Uses are single-family dwellings.
 - South** – “N5” District; Uses are single-family dwellings.
 - East** – “N5” District; Uses are single-family dwellings.
 - West** – “N5” District; Uses are single-family dwellings.
6. **General Neighborhood/Area Land Uses:** The requested honorary street renaming is located in a residential area that primarily consists of one household dwellings.
7. **Applicable Recognized Neighborhood(s):** The subject property is located within the Mondamin Presidential Neighborhood and within 250 feet of the Drake Neighborhood. All neighborhood associations were notified of the meeting by mailing of the Preliminary Agenda on May 14, 2021. Additionally, separate notifications of the hearing for this specific item were mailed on May 24, 2021 (10 days prior to the hearing) to the primary titleholder on file with the Polk County Assessor for each property adjacent to the requested honorary street renaming. A Final Agenda was mailed to all the recognized neighborhood associations on May 28, 2021.

All agendas and notices are mailed to the primary contact designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division. The Mondamin Presidential Neighborhood notices were mailed to Terri Mitchell, 1822 Jefferson Avenue, Des Moines, IA 50314. The Drake Neighborhood notices were mailed to Lori Calhoun, 2808 Cottage Grove Avenue, Des Moines, IA 50311.

8. **Relevant Zoning History:** None.
9. **PlanDSM Land Use Plan Designation:** Low-Density Residential.
10. **Applicable Regulations:** The Commission, considering the criteria set forth in Chapter 18B of the Iowa Code, reviews all proposals for honorary street renaming. The recommendation of the Commission is forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **Utilities:** There is an existing sanitary sewer within the specified right-of-way. There is an existing 8-inch water main within the specified right-of-way. There are no storm sewer conduit or structures in the specified right-of-way.
2. **Street System/Access:** The requested honorary street renaming would not impact vehicular or pedestrian movement in the area.
3. **Addressing Committee Policy:** The general guidelines for establishing honorary street names are to recognize individual citizens, organizations, entities and special events. Applications can be supported by a short essay that provides justification for the designation.
 1. Could be named for a prominent person who:
 - a. Achieved prominence as the result of his or her significance, positive contribution to the history of the world, United States, the State of Iowa, or the City of Des Moines.
 - b. Is a real person.
 - c. Has been deceased for at least five years.
 2. Could be a geographical place name of prominence.
 3. Could be named for flora, fauna, or geologic materials.
 4. Could be names for a commemorative event which has achieved distinction as the result of significant and positive contribution to the world, United States, the State of Iowa, or City of Des Moines.
 5. Could be named for the description of the area in which the street is located or a prominent landmark nearby.

Staff notes that the proposal does not fully comply with the policy, as the honoree is living. However, exceptions to this guideline have been made in the past when warranted.

SUMMARY OF DISCUSSION

Emily Webb asked if any member of the public or the commission desired to speak on the item. No one requested to speak.

To Whom it may concern,
This letter is written as a character witness for Dr. Pastor Bobby Young.
It is an honor to be able to participate in the making of an honorary re-naming to the Dr Bobby L Young Drive. Dr. Young has been a pillar in this community for decades, from counseling the distraught, housing the homeless, or feeding the homeless. His commitment is unconditional to the youth not only in Des Moines but in the state and has provided an avenue for young people to see and experience hope. Giving an honorary name would show young adults what can be accomplished for standing for what matters and what they can accomplish from honest hard work and investment in community, family, and self

It might be a factor. If you want to give me background and support for the honorary street name I will take it to the addressing committee and see how staff feels about waiving that provision of the policy.

Angela,

This is the policy guideline:

The general guidelines for establishing honorary street names are to recognize individual citizens, organizations, entities and special events. Applications can be supported by a short essay that provides justification for the designation.

1. Could be named for a prominent person who:
 - a. Achieved prominence as the result of his or her significance, positive contribution to the history of the world, United States, the State of Iowa, or the City of Des Moines.
 - b. Is a real person
 - c. Has been deceased for at least five years
2. Could be a geographical place name of prominence
3. Could be named for flora, fauna, or geologic materials
4. Could be names for a commemorative event which has achieved distinction as the result of significant and positive contribution to the world, United States, the State of Iowa, or City of Des Moines.
5. Could be named for the description of the area in which the street is located or a prominent landmark nearby.

Can you give me a biography? Something we can use to present the request to P&Z. The more information I can get to support the proposal the better chance it has to succeed.

Is this request being made on behalf of a group or organization?

I do not believe the city provides the signs and I am not sure who installs them. I will find out.

I would think that the P&Z could hear this in April and Council in May if I can get the information put together. In the next week or so.

Let me know if you have any questions.

Yes, You did ask and I most definitely will provide that information again.
The current street is Washington Ave - the 1800 block going east bound, off MLK in Des Moines.
The honorary name is Dr. Bobby Young- He is a pillar and great community advocate in the community.
Can you tell me what is the time frame of this procedure?

To whom it may concern:

I met Dr. Bobby Young in September of 2019, where I was fortunate enough to be asked to attend a revival with Dr. Karliss Kimbrough Meeting him for the first time, I met a man that was very cordial, down to earth, and some would say, very friendly. After attending the revival, it was pleasant to know that each and every night he was concerned about our comfort, making sure that all of our needs were met. One evening I mention about our school of theology, well soon he became the first student from Iowa in the National School of Theology, we were excited to have him in our doctoral program. He made an immediate impact not just on the school itself but on the students within the doctoral program. Everybody always asks

where Dr. Young was. Because of his church experience and life history he was able to pour into many that was willing to hear of his experiences and knowledge. We are grateful to have met him and have been blessed because of him.

First I want to say that my Pastor Dr. Bobby L. Young has the five fold ministry within him. He is an Apostle, Prophet, Evangelist, Teacher and my Pastor.

Pastor Young has nurtured me and been a disciplinarian to me. I have matured and learned so much under his tutelage. He has blessed me with teachings in the bible that are so advanced. When Pastor teaches my mind is like a sponge. I want to learn more and more. I love fellowshiping with him during bible study on Tuesday evenings and on Saturday mornings during minsters class.

He has always been there for me when I need him. Really, he is there for many who are in need. He has a good, kind heart and rarely says no.

I thank God for bringing Pastor Dr. Bobby L. Young into my life. It has been a blessing to me and my family. To God be the glory.

I write this letter to Dr. Bobby Young, who serve as Pastor of one of the greatest ministries in Des Moines Iowa, known as Mount Hebron Missionary Baptist Church.

I have nothing but the utmost respect for you as you stand in the pulpit each and every Sunday Morning to feed the Word of God to the people of God.

- **I respect your competence.** You have a supernatural ability to take a passage of biblical text and pull out the truths that bring comfort and guidance toward right living.
- **I respect your patience and kindness.** You love unconditionally in spite of “bad advice” on how you should preach or lead the church.
- **I respect your bravery.** You do not shy away from tough passages which are not well-received in a politically correct culture.
- **I respect your diligence.** There are countless hard choices you are forced to constantly make.
- **I respect your preparation.** Every seven days you give a fresh Word from God.
- **I respect your family.** You live in a fishbowl and have to appear perfect.

There is one body and one Spirit, even as ye are called in one hope and your calling; One Lord, One Faith One Baptism, One God, and Father of all, who is above all and through all and in you all.

Ephesians 4: 4-6

- **I respect your compassion.** I know your knees are callused as a result of constantly praying for the people of God.
- **I respect your commitment to Jesus and His mission.** Because you love Him so much you answered the call to go into an incredibly unstable profession.
- **I respect your vision.** You see those in your church as what they could be, not just what they currently are.
- **I respect you for being there.** Every significant moment of life—salvation, baptism, wedding, hospitals, baby dedications, funerals. You were there.
- **And I respect what no one sees.** I respect the fact that you were broken to pieces by God. Personal Heartbreak. Sadness. Doubt. Disappointment. Devastation. Hurt Feelings. Sleepless Nights. Unspeakable Pain. You don't talk about this part of your journey much. But one of the main reasons God uses you so effectively is you have been broken to pieces for His glory and our benefit and did not quit. You will finish this race.

And for this I say, "Thank You." I'm sure countless others will thank you every day for eternity because you were willing to pay a personal price that others did not.

You may not think anyone notices the price you paid. But this is not true. You are loved and respected. And I just want to say one more time to you, your spouse, and the entire First Family, "Thank You."

Only Because of the **Blood** of Jesus – I remain:

Apostle, Dr. Elaine I. Woodson (One of Your Sheep)

There is one body and one Spirit, even as ye are called in one hope and your calling; One Lord, One Faith One Baptism, One God, and Father of all, who is above all and through all and in you all.

Additionally, fellow clergy support Rev. Dr. Young's Wellness phone line with host preachers on call line from Arkansas, Virginia, Louisiana, Missouri and Iowa. God "...gave some apostles; and some, prophets; evangelist; and some pastors and teachersfor the work of the ministry....and of the knowledge of God...and the fullness of Christ:.." Title: Sr. Pastor, Second Baptist Church of Ottumwa, IA

To Whom It may Concern:

Pastor Bobby Young is my Pastor, Mentor and friend. A man that displayed a tremendous Character as a Former Business Owner, Leader in the Community, Heading Fund Raisers, Leading Christian Education and supporting Family and Friends. He has always been a visionary who has touched many lives in the Des Moines area and across the State of Iowa. Interesting enough, I have a heart for evangelism and it's so comforting to know that this is a Fundamental area of his ministry at Mount Hebron Missionary Baptist Church in Des Moines, Iowa. If you talk to people like State Representative Akail and members of the community, Pastor Young always brings a message of Hope. He has such a tremendous understanding of the scriptures, that it helps the people to apply it to their life. He continues to help others grow in their walk of life, work, school activities and church. Pastor Young and his Church always put on a yearly carnival for children and their families in the Community to come out and enjoy a moment of fellowship and fun. He is a man that Lead by Example and I am so privileged to receive Spiritual Council from him. Pastor young was also instrumental in Installing me as the First African American Female Baptist Pastor in the State Of Iowa! It is for this and his many other acts of Kindness, I will forever be grateful for him.

Sincerely,

***Sr. Pastor Diane K. Koger,
Second Baptist Church, Ottumwa, Iowa***
