WHEREAS, on June 28, 2021, by Roll Call No. 21-0980, the City Council authorized the City Manager to negotiate an urban renewal development agreement based on preliminary terms of agreement with Des Moines Climate Controlled Self Storage, LLC, represented by Mark Bockenstedt, owner (“Developer”), for redevelopment of real property locally known as 503 Southeast 12th Street with construction of a four-story indoor climate-controlled storage facility (“Phase 1 Improvements”) in the Metro Center Urban Renewal Area, on property that is at a highly visible location along East Martin Luther King, Jr. Parkway and near the Market District redevelopment area; and

WHEREAS, said project may include a second four-story indoor climate-controlled storage facility at the site (“Phase 2 Improvements”), at an estimated total project cost for both Phases of \$15,500,000.00
