Part B) Staff recommends the subject property be rezoned from “MX1” Mixed Use District to “MX3” Mixed Use District, subject to Permitted and Conditional Uses being limited to a restaurant with a drive-through component and those Permitted and Conditional Uses in common with the “MX1” Mixed Use District and as limited in the “MX1” Mixed Use District.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

- 1. Purpose of Request:** The applicant is proposing to a new restaurant development with a drive through use. As a result, the building and site must be built in conformance with current design standards. The Planning and Design Ordinance does not allow drive-through facilities on properties zoned “MX1” District. Therefore, the applicant is requesting to rezone the property to the “MX3” District to allow a drive-through.
- 2. Size of Site:** 24,890 square feet or 0.571 acres.
- 3. Existing Zoning (site):** “MX1” Mixed Use District.
- 4. Existing Land Use (site):** The site contains a vacant one-story commercial building, 855 square feet of gross floor area, with a fuel canopy.
- 5. Adjacent Land Use and Zoning:**
 - North** – “MX1”; Uses are commercial in nature.
 - South** – “PUD” and MX1; Uses are vacant land and commercial in nature.
 - East** – “MX1”; Uses are commercial in nature.
 - West** – “MX1”; Uses are commercial in nature.
- 6. General Neighborhood/Area Land Uses:** The subject property is located at the intersection of Douglas Avenue and Beaver Avenue, which contains a mix of commercial and place of worship uses.
- 7. Applicable Recognized Neighborhood(s):** The subject property is in the Beaverdale Neighborhood. All recognized neighborhoods were notified of the public hearing by mailing of the Preliminary Agenda on October 29, 2021 and by mailing of the Final Agenda on November 8, 2021. Additionally, separate notifications of the hearing for this specific item were mailed on November 8, 2021 (10 days prior to the public

hearing) to the Beaverdale Neighborhood Association and the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. All agendas and notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division on the date of the mailing. The Beaverdale Neighborhood Association notices were mailed to Marcus Coenen, P.O. Box 30175, Des Moines, IA, 50310.

8. Relevant Zoning History: N/A.

9. PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation: Community Mixed Use within a Community Node.

10. Applicable Regulations: Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. PlanDSM Creating Our Tomorrow: The subject property is designated as "Community Mixed Use" and located in a "Community Node" on the Future Land Use Map. Plan DSM describes these designations as follows:

Community Mixed Use: Small- to medium-scale mixed use development, located on high-capacity transit corridors or at the intersection of transportation corridors. Community mixed use areas include both a mix of medium density residential and a mix of retail and service establishments designed to attract customers from a large service area encompassing multiple neighborhoods and may include specialty retail that attracts regional customers.

Community Node: Mid-sized centers providing a range of daily needs and specialized services within a larger neighborhood context. Consist of a mix of housing, retail, and offices serving a larger population and geographical area than a neighborhood node. May include a shopping district including a grocery and drug store. Residential development including medium and high densities may occur.

The applicant is proposing to rezone the property from "MX1" District to the "MX3" District. The Zoning Ordinance states that "MX1 is intended for the mixed-use, neighborhood-scale nodes and corridors within the city, where daily uses are accessible by walking from surrounding neighborhoods." Building types allowed in this district include Storefront, Commercial Cottage, Civic Building and Principal Use Parking Structure.

The Zoning Ordinance states that "MX3 is intended for mixed-use nodes and corridors within the city, where residents and visitors may access multiple uses by walking and automobile. This district accommodates higher intensity commercial uses at a smaller scale." Building types allowed in this district include Storefront, Commercial Cottage, General Building, Commercial Center, Civic Building and Principal Use Parking Structure.

The Douglas and Beaver Avenue intersection is generally zoned "MX1" District, with an adjoining PUD slated for future grocery retail in addition to an adjacent P2 property. Staff believes that the proposed use is appropriate for the character of the area but believes other uses that are allowed in "MX3" Districts but not in "MX1" Districts should be prohibited.
