Part C) Staff recommends approval of the request to rezone the property from “P2” Public, Civic, and Institutional District to “DXR” Downtown Mixed-Use District.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is proposing to construct a new building to be used for an auto body repair shop.

2. **Size of Site:** 48,874 square feet (1.1 acres)

3. **Existing Zoning (site):** “EX” Mixed Use District.

4. **Existing Land Use (site):** The subject property is undeveloped.

5. **Adjacent Land Use and Zoning:**

North – “N1a”; Uses are one-household residential.

South – “EX”; Uses are commercial, industrial, and agricultural.

East – “EX” & “N1a”; Uses are one-household residential, commercial, and **retail**.

West – “EX” & “CX”; Uses are one-household residential, commercial, and retail.

6. **General Neighborhood/Area Land Uses:** The subject property is located on the northwest corner of the intersection of East Army Post Road and Southeast 16th Court. The surrounding area is a mix of commercial, one-household residential, and agricultural uses.
7. **Applicable Recognized Neighborhood(s):** The subject property is located in the Easter Lake Area Neighborhood Association (ELANA). All neighborhood associations were notified of the public hearing by emailing of the Preliminary Agenda on December 29, 2023, and of the Final Agenda on January 12, 2024. Additionally, separate notifications of the hearing for this specific item were mailed on December 29, 2023 (20 days prior to the public hearing) and January 8, 2023 (10 days prior to the public hearing) to the Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. All notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division on the date of the mailing. The Easter Lake Area Neighborhood Association (ELANA) mailings were sent to Jim Bollard. The applicant can provide a summary of the neighborhood meeting at the public hearing.
8. **Relevant Zoning History:** None
9. **PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation:** Business Park with Regional Node.
10. **Applicable Regulations:** Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **PlanDSM: Creating Our Tomorrow:** The applicant is requesting that the future land use designation of the property be amended from “Business Park” to “Community Mixed Use”. PlanDSM describes these designations as follows:

Business Park: Accommodates light industrial, office and employment uses along with limited complementary retail uses. Industrial uses in this category would produce little or no noise, odor, vibration, glare, or other objectionable influences, and would have little or no adverse effect on surrounding properties.

Community Mixed Use: Small- to medium-scale mixed use development, located on high-capacity transit corridors or at the intersection of transportation corridors. Community mixed use areas include both a mix of medium density residential and a mix of retail and service establishments designed to attract customers from a large service area encompassing multiple neighborhoods and may include specialty retail that attracts regional customer.

Regional Node: The largest node, regional nodes are concentrations of employment, retail, and housing and may include light industrial uses. They serve the widest geographical area and attract people from throughout the City and region. High density residential development is appropriate at regional nodes.

The subject property is currently zoned "CX" Mixed Use District which the Zoning Ordinance describes as, "intended for nodes and corridors with larger-scale single use commercial accommodating higher levels of vehicular traffic than MX districts and more intensive commercial uses, especially with outdoor sales and storage."

The applicant is proposing to rezone the property to the "EX" Mixed-Use District which the Zoning Ordinance describes as, "intended for locations and corridors with a mix of light industrial and heavier commercial uses, accommodating higher levels of vehicular traffic than MX districts and a predominance of mid-scale employment uses, such as office, low intensity industrial, and warehouse spaces associated with offices."

Staff believes that the subject site would be an appropriate location for an auto body repair shop given the site's location within a Regional Node near a high-capacity roadway (Southeast 14th Street). The character of the surrounding location consists of commercial and light industrial uses similar to the use being proposed.

- 2. Planning and Design Ordinance:** Any development must comply with all applicable site plan and design regulations of the Planning and Design Ordinance. Should the rezoning be approved, the applicant would be required to prepare a Site Plan and building elevations for review and approval before the property can be occupied by the proposed use.

SUMMARY OF DISCUSSION

Abby Chungath asked if any member of the public or commission desired to speak on the item. No one requested to speak.

COMMISSION ACTION:

Carolyn Jenison made a motion for approval on the following:

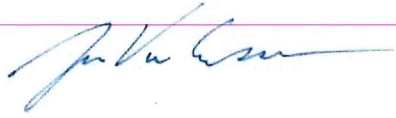

Part A) The requested rezoning to "CX" Mixed-Use District be found not in conformance with the PlanDSM: Creating Our Tomorrow Comprehensive Plan, which designates this property as Business Park within a Regional Node.

Part B) Approval of the request to amend the PlanDSM: Creating Our Tomorrow Comprehensive Plan to revise the future land use classification for the property from Business Park within a Regional Node to Community Mixed Use within a Regional Node

Part C) Approval of the request to rezone the property from "EX" Mixed Use District to "CX" Mixed-Use District
