If warranted, the Grantee should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans.

32. Findings of Discrimination.

The Grantee assures that in the event a Federal or State court or administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, disability, age, sexual orientation, gender identity, or sex against a recipient of funds, the Grantee will promptly forward a copy of the finding to the Governor's Office of Drug Control Policy.

33. Determination of suitability required, in advance, for certain individuals who may interact with participating minors

1. Advance determination regarding suitability. The Grantee (and any subrecipient at any tier) may not permit any covered individual to interact with any participating minor in the course of activities under the award, unless the Grantee or subrecipient first has made a written determination of the suitability of that individual to interact with participating minors, based on current and appropriate information as described in paragraph 3.e., and taking into account the factors and considerations described in paragraph 4.
2. Updates and reexaminations
 - a. The Grantee (or subrecipient) must, at least every five years, update the searches described in paragraph 3.e, reexamine the covered individual's suitability determination in light of those search results, and, if appropriate, modify or withdraw that determination.
 - b. The Grantee also must reexamine a covered individual's suitability determination upon learning of information that reasonably may suggest unsuitability and, if appropriate, modify or withdraw that determination.
3. Definitions
 - a. "Covered individual" means any individual (other than a participating minor, as defined in this condition, or a client of the Grantee (or subrecipient)) who is expected, or reasonably likely, to interact with any participating minor (other than the individual's own minor children). A covered individual need not have any particular employment status or legal relationship with the Grantee (or subrecipient). Such an individual might be an employee of a Grantee (or subrecipient), but also might be (for example) a consultant, contractor, employee of a contractor, trainee, volunteer, or teacher.
 - b. "Participating minor." All individuals under 18 years of age participating in grant funded activities are participating minors.
 - c. "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. But "interaction" does not include--

preceding the date of the search request -- of pertinent state (and, if applicable, local and tribal) criminal history registries or similar repositories, including--

- a. the criminal history registry for each state in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and
- b. the criminal history registry for each state in which he or she is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

4. Factors and considerations in determinations regarding suitability

In addition to the factors and considerations that must or may be considered under applicable federal, state, tribal, or local law, and under the Grantee's (or subrecipient's) written policies and procedures, in making a determination regarding suitability, the Grantee (or subrecipient) must consider the current and appropriate information described in paragraph 3.e.

In particular (unless applicable law precludes it), with respect to either an initial determination of suitability or a subsequent reexamination, the Grantee (or subrecipient) may not determine that a covered individual is suitable to interact with participating minors in the course of activities under the award if the covered individual--

- a. Withholds consent to a criminal history search required by this condition;
- b. Knowingly makes (or made) a false statement that affects, or is intended to affect, any search required by this condition;
- c. Is listed as a registered sex offender on the Dru Sjodin National Sex Offender Public Website;
- d. To the knowledge of the Grantee (or subrecipient), has been convicted -- whether as a felony or misdemeanor -- under federal, state, tribal, or local law of any of the following crimes (or any substantially equivalent criminal offense, regardless of the specific words by which it may be identified in law):
 - i. sexual or physical abuse, neglect, or endangerment of an individual under the age of 18 at the time of the offense;
 - ii. rape/sexual assault, including conspiracy to commit rape/sexual assault;
 - iii. sexual exploitation, such as through child pornography or sex trafficking;
 - iv. kidnapping;
 - v. voyeurism; or
- e. Is determined by a federal, state, tribal, or local government agency not to be suitable.

5. Administration; rule of construction

- a. The requirements of this condition are among those that must be included in any subaward (at any tier), and must be monitored. They apply as of the date of acceptance of the grant, and throughout the remainder of the period of performance.
- b. The Grantee is to contact the ODCP with any questions regarding the requirements of this condition and must not allow a covered individual to interact with a participating minor until such questions are answered.
- c. Nothing in this condition shall be understood to authorize or require the Grantee, any subrecipient at any tier, or any person or other entity, to violate

37. Liability.

- a. If any provision contained herein is in conflict with any State or Federal law or shall be declared to be invalid by any court of record of this State, such invalidity shall affect only such portions as are declared invalid or in conflict with the law. Any remaining portion ruled valid by the court shall continue to be in effect.
- b. The ODCP reserves all administrative, contractual and legal remedies, which are available in the event that the Grantee violates or breaches the terms of this contract.

38. Drug Task Force.

Officers funded by the Office of Drug Control Policy who encounter minors who as a direct or indirect result of the presence and or the use of any illegal drug are at risk of exposure, abuse, or neglect shall at a minimum report the encounter to the Department of Human Services. Task forces are strongly encouraged to participate in a Drug Endangered Children program designed to identify and protect the wellbeing of these youth.

39. Drug Task Force Training.

This condition facilitates compliance with the provision of the National Environmental Policy Act (NEPA) relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories [hereinafter, "meth lab operations"]. The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the Federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <http://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.
